ACTIVE LEARNING

EARLY CHILDHOOD EDUCATION

Our early learning programs use movement, music, art, and play-based instruction to strengthen motor skills, social development, and early academic readiness.

Music & Movement

- Rhythm & coordination
- Listening skills

Creative Arts

- Sensory art exploration
- Fine motor development

Early Literacy Through the Arts

- Storytelling
- Dramatic play

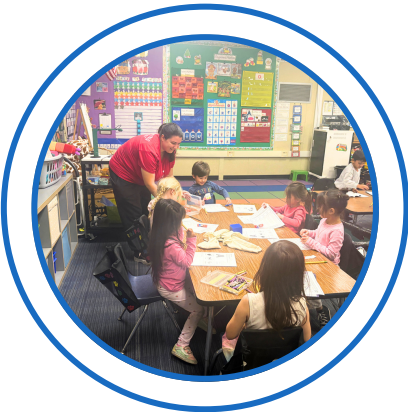

Gross Motor Skills-PE

- Balance, Coordination
- Body Awareness

Our developmentally appropriate educational programs actively engage students in structured movement activities that strengthen essential gross & fine motor skills.

CREATIVE ENRICHMENT PROGRAMS

Showcase-Driven Arts & Innovation Experiences for TK–8.
Multi-week enrichment programs that culminate in performances, exhibitions, festivals, and community celebrations.

ACADEMIC: TUTORING

- Standards-aligned academic reinforcement
 - Guided help with licensed Tutors
 - Small-group targeted assistance
 - Daily homework time & routines
-

PERFORMING ARTS

- Musical Theatre
 - Global Dance
 - Music
-

VISUAL ARTS

- Mixed Media Arts
- Fashion Design
- Culinary Arts
- STEAM

MUSICAL THEATRE

BROADWAY & CLASSICAL FAVORITES
